CHAMPIONS TACTICS™ GRIMORIA CHRONICLES

Platform: PC (Digital)

Release Date: 2024

Genre: Multiplayer Turn-based RPG

Developed by: Ubisoft Paris

Inspired from classic strategy board games and modern turn-based RPGs, Champions Tactics™ Grimoria Chronicles is a game where strategy, creativity, and dark fantasy unite in a captivating multiplayer tactical experience.

In the dark world of Grimoria, you rise as a young Warlord entrusted with leading a team of mythical Champions crafted by a mysterious Alchemist using forbidden magic. Champions are magical playable figurines and each one of them is a living relic, a testament to the legendary Champions who once shaped Grimoria's fate.

Engage in thrilling turn-based tactical battles against other players where the outcome rely on tactics, mind games, and Champions' abilities. Diversity reigns supreme as you assemble your team with a vast array of Champions, each a unique masterpiece with its own distinctive abilities, strengths, and weaknesses.

Will you choose The Grim Rogue, The Ardent Diviner or The Savage Oracle? The choice is yours!

- **CREATE UNIQUE CHAMPIONS:** Master the power of the Bloodstone to craft powerful champions with unique skills & abilities
- **ASSEMBLE YOUR TEAM:** Collect unique powerful champions to outmatch any opponent's lineup.
- **BECOME A WORLDWIDE LEGEND:** Test your tactical prowess in intense online PvP battles and rise through the ranks.
- **TACTICAL PLAY TO WIN:** Victory comes from skill, not chance. Master the ever-changing meta, pick the best Champions to counter your opponent's lineup and use their abilities wisely to dominate!

Craft Champions, become a Legend!
